

DXP & PumpWorks Are Here to Help You With Your Urgent Rotating Equipment Needs

DXP and PumpWorks are committed to safely serving all of your urgent rotating equipment and MRO needs during Hurricane Harvey. While many of our Houston area locations are closed for the safety of our employees, we want to ensure that your urgent needs are addressed as soon as possible.

DXP and PumpWorks have created a dedicated team to help you recover with little to no downtime. Our expansive Texas service network is standing by to provide local support for all of your rotating equipment repair needs.

Services include:

- Flooded Equipment Inspection and Re-Commissioning
- All Rotating Equipment Repair
- Mechanical Seal Repair
- Field Mechanical Seal and Bearing Changes
- Field Oil Changes and Laser Alignments
