SecuraChem - An Exclusive Flammables Automated Storage Solution!

Control your HAZMAT flammable items with SecuraChem – a fully automated solution provided by DXP!

➤ Simple

➤ Secure

➤ Intelligent

Complaints

➤ Hard to find the person with the key - especially on 2nd & 3rd shifts or they are left unlocked, resulting in free access and no control

➤ No automated tracking / reporting to show who took what

➤ Reorder process is totally manual

➤ Stockouts are commonplace

➤ Emergency reorders and high costs are frequent

➤ Once taken, can't find a product when needed

➤ Flammable items accumulate at work stations or in unsafe areas

SecuraChem Solves

➤ The world's first and only patented, flammables vending machine

➤ Capacity to store over 100 SKUs depending on size equivalent to a 60-gallon storage unit

➤ Accommodates 99% of all chemicals and solvents

➤ Ingenious element-proof binning and spill control.

➤ Dispensing in singles or bulk using bar codes & reader

➤ Controlled-access system with user authentication, motion-sensing cameras and Cloud storage

➤ Hours-long battery backup in case of a power outage

➤ Asset-like tracking with check-out and check-in (return)

➤ Inventory control system for automated reordering

➤ Automated reporting: track to job, equipment or cost center

➤ MSDS available online at the SecuraChem

➤ 3 Year Warranty on all parts
