

## Emergency Preparedness

### Mainstays<sup>™</sup> Emergency water and food rations

Specially formulated for land-based high stress situations. Each package contains 9 pre-measured 400 calorie meals, which allow a person to get their full nutrition in a quick, tasty form. Mainstay<sup>™</sup> emergency drinking water has a five year shelf life, is easy to dispense and easy to store. Each packet contains 4.225 oz. of water.

### The Cocoon (CC-01)

A "one-size-fits-all" sleeping bag that can fit in a purse! The Cocoon Sleeping Bag (84" X 36") provides personal protection from rain, wind, heat, and cold. It's manufactured from extremely lightweight, flexible, space-age material, and deflects heat in hot climates and can also be used to offset hypothermic reactions

### Survivor Pak<sup>®</sup> (FSP-05)

#### Small Business/ Family Support Unit

Designed to sustain 5 people for 3 days.

No one likes to think about emergencies, and with the FSP-05 you don't have to! Designed to provide a small office or family with the basics for up to three days, the FSP-05 includes over 250 general and medical supply items. It's compact size makes it easy to store for quick and easy access.
