SmartAgreement®

SmartAgreement is a planned, pro-active procurement solution for MRO categories serviced by local DXP Service Centers.

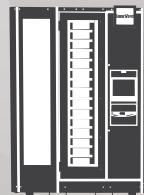

SmartStore®

SmartStore is DXP's customized e-Catalog solution.

SmartBuy®

SmartBuy is DXP's on-site or centralized MRO procurement solution.

SmartVEND®

SmartVend is DXP's industrial dispensing solution. It allows for inventory level optimization, user accountability and item usage reduction by 20-40%.

SmartSource®

SmartSource is DXP's on-site procurement and storeroom management by DXP personnel.

SmartServ®

SmartServ, is DXP's integrated service solution. It provides a more efficient way to manage the entire life cycle of pumping systems and rotating equipment.
