

The Industrial Distribution Experts

**SERVICE, REPAIR,
TECHNICAL SUPPORT —
DXP delivers more than
equipment**

DXP provides full-service lifecycle support for all vacuum pump and blower technologies—from installation and startup to rebuilds and performance optimization.

● = Perfectly Suited ○ = Possible

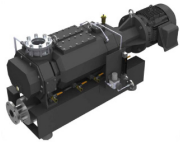

Application/Market	Rotary Vane	Dry Claw	Dry Screw	Liquid Ring	Roots/Lobe	Side Channel Blower	Centrifugal
FOOD & BEVERAGE							
Vacuum Packaging/Tray Sealing	●	○	●	●

CNC Hold-Down Tables	●	●		○		○	
Pneumatic Conveying		○			●	●	●
Central Vacuum Systems	●	●	●	●		○	

- ▶ **Certified Rebuild Centers for All Major Brands**
- ▶ **Vacuum Audits and Performance Diagnostics**
- ▶ **Preventative Maintenance Programs**
- ▶ **On-Site and In-House Repair Services**
- ▶ **Spare Parts and Accessories for all Technologies**
- ▶ **Emergency Response and Technical Support**

Call your local DXP representative today to schedule a vacuum audit or connect with our technical experts. 1.800.830.DXPE

VACUUM PUMPS & BLOWERS

Partnerships and Markets

Dry Screw Vacuum Pumps

National Partnerships: NAVAC • Leybold • NES Company

Primary Markets & Applications: Plastics, Industrial Automation, General Manufacturing, Food, Chemical, Oil & Gas, Energy

Vacuum Boosters

National Partnerships: Leybold • NES Company

Primary Markets & Applications: High Vacuum, Electronics, R&D, Automation, Food & Beverage, Laboratories, Chemical

Dry Scroll Vacuum Pumps

National Partnerships: NAVAC • Leybold • NES Company

Primary Markets & Applications: Automation, Food & Beverage, Laboratories, Chemical

Dry Vane (Oil-Free Rotary Vane)

National Partnerships: Becker • Airtech (Orion) • DVP • NES Company

Primary Markets & Applications: Robotics, CNC Manufacturing, Plastics, General Manufacturing

Dry Claw Vacuum Pumps

National Partnerships: Airtech • DVP • NES Company

Primary Markets & Applications: Industrial Automation, Wastewater, General Manufacturing, Aeration, Chemical, Energy

Oil-Sealed Lubricated Vane (Single Stage/Two Stage)

National Partnerships: NAVAC • Airtech • Travaini • Leybold

Primary Markets & Applications: Food & Beverage, Industrial, General, Chemical, Oil & Gas

Dry Multistage Roots Type Vacuum Pumps

National Partnerships: Onozawa • Leybold

Primary Markets & Applications: Plastics, Industrial Automation, General Manufacturing, Food, Chemical, Oil & Gas, Energy

Lobe Blowers-Vacuum & Pressure

National Partnerships: NAVAC • Eurus Blowers • I-R Hibon • DVP • Unozawa

Primary Markets & Applications: Food & Beverage, Plastics, Industrial, Mining, Energy, Pulp & Paper

Multistage Centrifugal Vacuum Pumps & Blowers

National Partnerships: I-R Hibon • National Turbine • Eurus Blowers

Primary Markets & Applications: Food & Beverage, Industrial, Energy, Wastewater, Pulp & Paper

Liquid-Ring Vacuum Pumps & Compressors

National Partnerships: Travaini • Airtech (Speck) • Dekker (Atlas Copco) • NES Company

Primary Markets & Applications: Food & Beverage, Industrial, Chemical, Oil & Gas, Mining, Energy, Pulp & Paper

Rotary Piston Vacuum Pumps

National Partnerships: Stokes Vacuum (Edwards)

Primary Markets & Applications: General Manufacturing, Heat Treating, Energy

Regenerative Vacuum Pumps & Blowers

National Partnerships: Airtech • Becker • DVP

Primary Markets & Applications: Automation, Food & Beverage, General Manufacturing, Router Tables, Woodworking

Truck Mounted Rotary Vane

National Partnerships: Masport • Fruitland • MoroUSA • NVE • Cowboy

Primary Markets & Applications: Oilfield, Septic, Transport, Energy

Filters & Separators

National Partnerships: Solberg

Primary Markets & Applications: All Markets

Modular Custom Systems (Turnkey Packages)

DXP turnkey, systemized solutions tailored to your exact control and performance needs
Available in All Markets

DXP
