Yaktrax® Walk

The Walk is the modern take on the legendary footwear traction devices that Yaktrax pioneered. Featuring 1.2mm stainless steel coils wrapped in a precise, multi-angled pattern, the Walk provides sure-footed confidence over snowy and icy terrain. Its low-profile design and lightweight construction give the Walk a comfortable feel underneath any type of footwear, and its compact structure allows it to be easily stowed inside a backpack, toolbox, or gear bag. Its elastic strap can be easily stretched, making it easy to slip on and take off any work boot or shoe.

Sizes:

- XS fits Men's sizes 1-4.5 and Women's sizes 2.5-6 (#08606)
- S fits Men's sizes 5-8.5 and Women's sizes 6.5-10 (#08601)
- M fits Men's sizes 9-11 and Women's sizes 10.5-12.5 (#08603)
- L fits Men's sizes 11.5-13.5 and Women's sizes 13-15 (#08605)

YAKTRAX®

$20.75PR

Yaktrax® Diamond Grip™

The Yaktrax Diamond Grip provides an unmatched combination of versatility, stability across varying terrain, and a comfortable stride. It features Yaktrax's patented diamond-shaped, case-hardened alloy beads, which rotate independently around a lightweight yet durable, aircraft-grade steel cable. This innovative design means that the Diamond Grip includes several hundred small biting edges for superior traction on ice, while their intuitive disbursement makes the Diamond Grip ideal for snowy surfaces, as well.

Sizes:

- S fits Men's sizes 5-6 and Women's sizes 5-7 (#06004)
- M fits Men's sizes 6.5-9 and Women's sizes 7.5-10 (#06005)
- L fits Men's sizes 9.5-12.5 and Women's sizes 10.5 & up (#08532)
- XL fits Men's sizes 13 & up (#08533)

YAKTRAX®

$48.10PR

Yaktrax® Pro

The Pro provides incredible traction over snow-packed terrain in an easy-to-use and ultra-secure package. Taking its technology cues from the legendary footwear traction devices we pioneered, the Pro features an array of robust 1.4mm stainless steel coils intuitively positioned in a precise, multi-angled pattern to maximize stable movement over snow. With its natural rubber harness that is highly flexible yet secure, the Pro provides easy application and removal with any type of footwear. It also features an adjustable hook-and-loop strap that can be placed over the forefoot for additional security.

Features:

- Spikeless, ultra lightweight design
- 360° of traction with patented skid lock coil system
- Durable natural rubber outer band for flexible fit
- Abrasion resistant 1.4mm steel coils
- Removable strap ensures a secure fit

YAKTRAX®
